- Advanced Lane Guidance

TomTom's award-winning software means groundbreaking new technology for the ultimate driving experience. Switch on and go right out of the box. Just enter the address on the touchscreen and start driving anywhere in the US and Canada. TomTom guides you door-to-door with spoken instructions. TomTom has the most accurate maps and with TomTom Map Share™ technology, you can instantly modify maps on your own device. And with the "Help Me!" menu, there are added safety features so you can easily access local emergency providers.

What's In The Box?

- PRO device
- Windshield mount
- USB cable
- Car charger
- Ruggedized sleeve
- Documentation
- Adhesive disk
- Desk Dock for charging and computer connection**

FEATURE DESCRIPTIONS

- Maps of the US and Canada
- POIs: easily find gas stations, restaurants, hotels and more along your route. Customize by adding your own points of interest
- TomTom Map Share™: instantly modify street names, street direction, road speeds, turn restrictions, and POIs on your own device and benefit from others' corrections
- "Help Me!" Emergency Menu: easily access local emergency providers such as police, fire stations and hospitals
- Latest Map Guarantee: if a new map is released within 30 days of purchase, download it for free from TomTom HOME
- PIN lock: protects personal and sensitive information
